## OBJECTIVE

To help companies excel to the next level of marketing, art, and design, using my creative skills to create websites, promotional materials, magazine layouts, and branding packages.

## EXPERIENCE

### Layout Intern, Orlando Style Magazine January 2017 – May 2017

- Laid out articles and ads in InDesign, based on client specifications.
- Edited photos in Photoshop to meet print and web standards for resolution and color management.
- Uploaded articles and pictures to the Wordpress website and used plugins to lay out the content online.
- Wrote articles and found stock photos to accompany them.
- Assisted in proofing and editing the magazine before it was sent to print.
- Used Mac Network connections and Google Docs to access and share article drafts and content.

### Tutor, Huntington Learning Center August 2015 – December 2016

- Worked with students (elementary – high school) to increase their comprehension in reading and math.
- Kept record of student progress and communicated with program managers.

### Credentialing Specialist, National Staffing Solutions 2012 – 2015

- Verified, organized, and maintained credentials of traveling therapy professionals.
- Ensured all pre-employment qualifications and compliance standards were met within tight deadlines.
- Provided guidance in completing credentialing requirements, such as finding CPR classes, walk-in clinics, drug screen and fingerprinting facilities in therapists' location.
- Conducted background checks and registered applicants for drug screens.
- Sent new-hire paperwork and contracts via Docusign.
- Awarded "Above and Beyond Award" 3 times.

### Substitute Teacher, Kelly Educational Staffing 2010 – 2012

- Provided students with instruction.
- Implemented teachers' lesson plans.
- Ensured classroom management, discipline, and safety.

### Human Resources & Front Desk Assistant, Price Management 2005 – 2010

- Provided customer service to residents of 4 apartment complexes.
- Performed general office duties such as filing, faxing, making copies.
- Reviewed incoming resumes and determined best candidates.
- Conducted preliminary phone interviews with applicants.
- Ensured new-hire paperwork was filled out correctly.
- Entered employee data and time edits into EZ Labor program.
